# Protect Yourself!

Many notaries mistakenly believe the required Notary Bond protects them. It doesn't! The bond protects the public. Notaries can be held personally liable for mistakes.

## Only Errors & Omissions Insurance looks out for *you*.

A Texas Errors & Omissions policy safeguards you against liability for the entire term of your commission. Notarial losses are becoming more common every day, from small suits to major verdicts involving tens of thousands of dollars!

Consider these *real* cases:

- Acting on instructions from her boss, a Notary witnessed signatures on a real estate transaction, which later proved to be forgeries. She was found liable for nearly \$2,500 in court costs and \$5,000 in damages. Can *you* afford this?
- Another Notary was sued for allegedly affixing her seal to a certificate of title with a forged signature. Although judgment was in favor of the Notary, she incurred \$560 in legal fees. Thankfully, she had an E&O policy - *she was protected*.

Just as you protect your home, car and other personal effects with insurance, you need to protect your notarial acts. With Errors & Omissions Insurance, damages and legal costs are paid, with no out-of-pocket deductible to the Notary. Use the order form below to determine the amount of coverage that best fits your needs.
